Each church group is responsible for having the following on hand upon arrival:

1) Consent Forms along with emergency information for each participant. **Please be sure to have two (2) copies on hand, one for your chaperone and one for Mt. Olive UMC ** (This will help with a quick & smooth registration time).

2) A first aid kit.

3) Water for team.

4) Adult chaperones who are approved by representative church.

* **Each participant will want to bring the following:** Sleeping bag/pillow, toiletries, washcloth & towel, change of clothes, work gloves.

* No personal electronics please. Cell phones will not be allowed during daily activities but the children will be allowed to use them to contact home within reason with chaperone(s) permission. Each individual is responsible for their own belongings.

* This event is closely scheduled. There may be free time before and after sessions. Individual groups are responsible for entertaining themselves. Bringing a deck of cards or board games is always a great idea!

* Some mission sites will have large groups which is really the best experience for the kids. We would like to have teams from different churches work together. We would appreciate if chaperones allow for the children to do most of the work. You may help but try and let them get the experience they are coming to earn. Parking may be tight at sites so please keep this in mind when planning transportation.

* God has blessed us all so much in allowing us this opportunity to share with each other. We are transforming lives of children and helping them become the disciples Christ has called them to be.

* With this being our first time, we are going to have to be firm with registration deadlines and procedures. Please return the registration form completely filled out and on time.
